The background is a dark, textured surface with numerous 3D question marks scattered across it. Some are black and recessed into the surface, while others are bright orange and raised. The word "Feedback" is centered in a clean, white, sans-serif font.

Enough of the boardroom graphics!

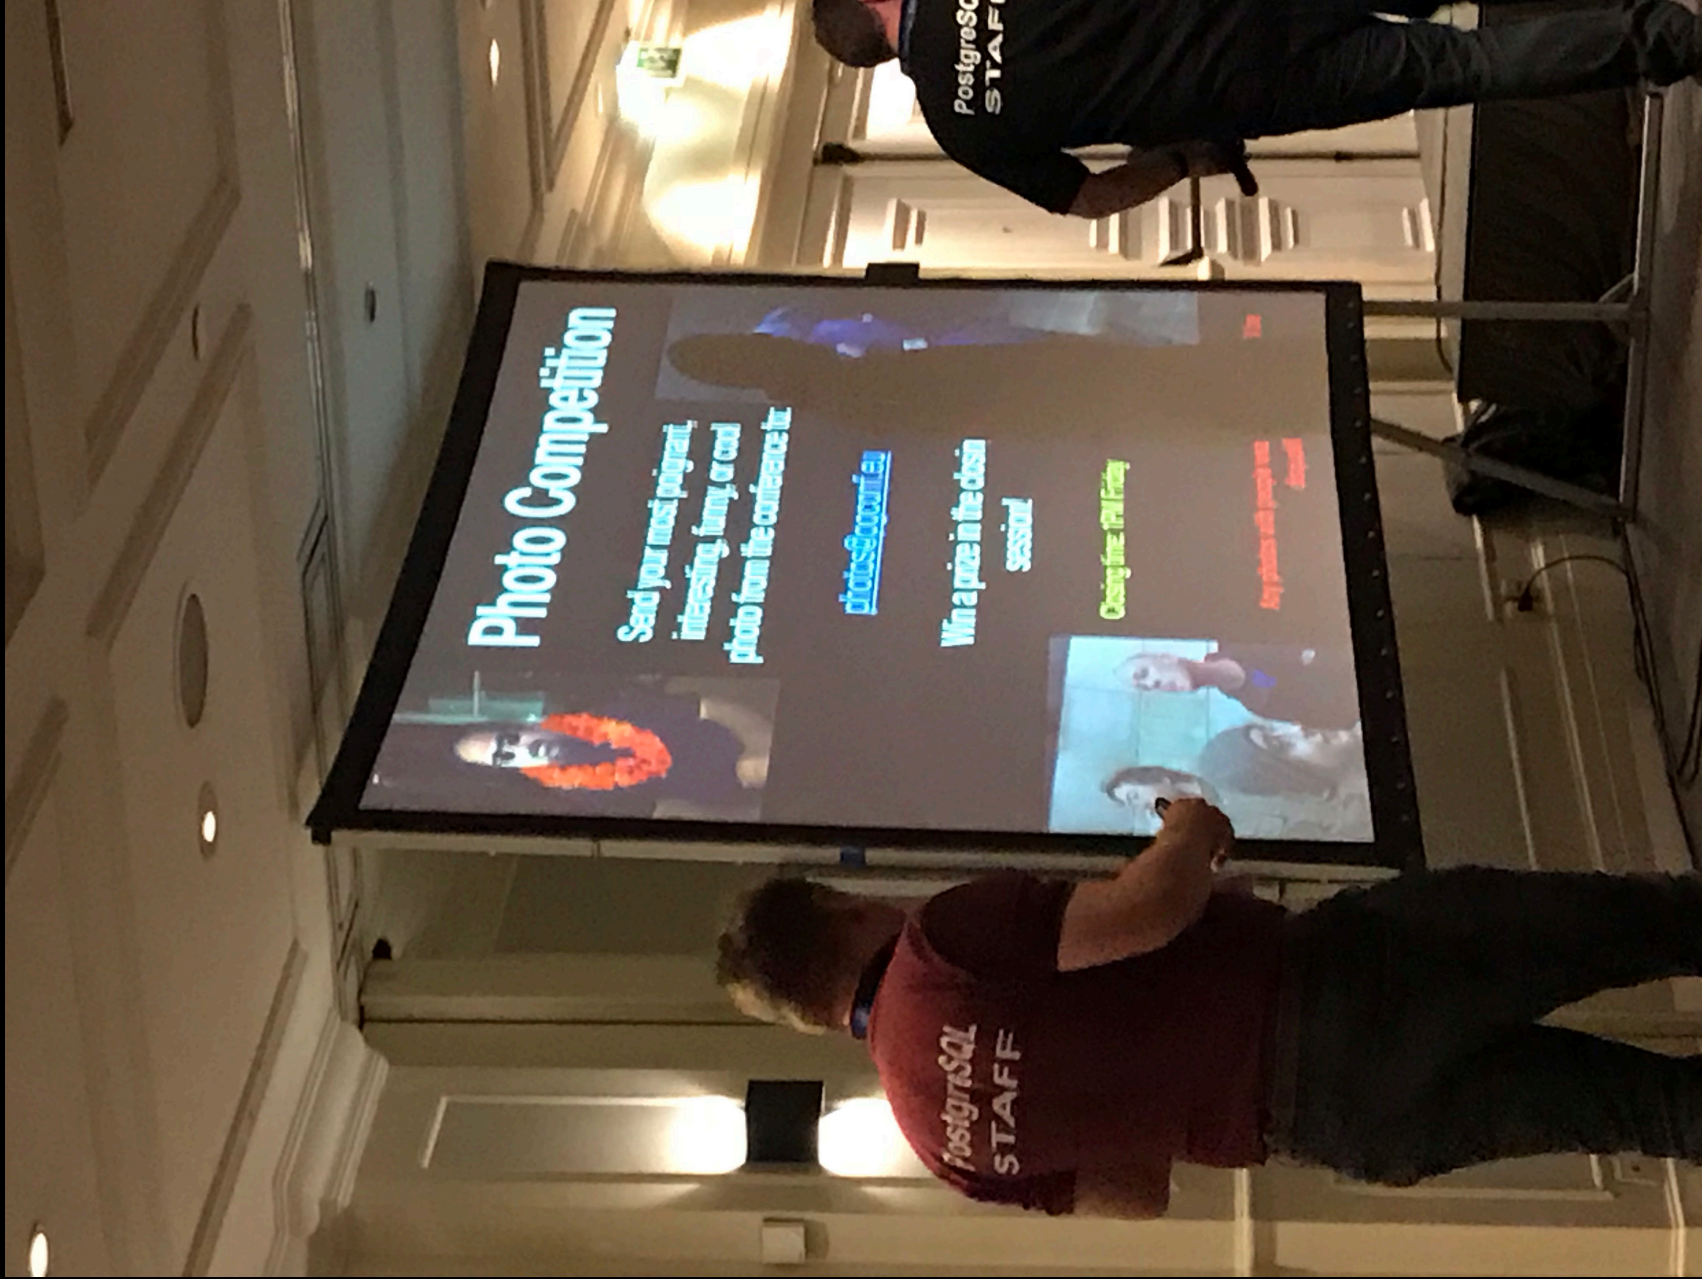

And Google's inability to handle long series names

A large group of people, mostly men, are posed for a group photo at a conference. They are arranged in many rows, filling the frame. In the foreground, a man in a light blue t-shirt and jeans is lying on his side on the floor, resting his head on his hand. The background shows a large hall with a whiteboard and a logo on the wall.
