

THE POSTGRESQL CONTRIBUTORS TEAM

CHRISTOPH BERG

PGconf.EU 2024

Contributors

<https://www.postgresql.org/community/contributors/>

- 7 core team members
- 50 major contributors
- 93 contributors
- past (major) contributors

The PostgreSQL Contributors Team

- Melanie Plageman (joined earlier this year, thanks!)
- Joe Conway
- Christoph Berg

Looking for more contributors to recognize!

Contributions

- PostgreSQL code in git
- extensions and ecosystem
- translations
- project infrastructure
- running conferences
- community support
- community organization
- publicity
- ... <- the hard part

(perhaps ordered by hardness to recognize, `git log` is easy, the rest less so)

Getting on the list

- Contributors: continued contributions over two years
- Major Contributors: continued substantial contributions over three years

Nomination

- nominate someone
- nominate yourself!
- contributors@postgresql.org

If you are already on the list:

- what other people are we missing doing similar things?
